

Discipleship Strategy Worksheet

A. Define “Discipleship”

B. What will be your regular occasions for discipleship?

In other words, does this include Sunday School/Small Group or other occasions and informal meetings?

C. How will you disciple large groups, small groups, and individuals?

What are your planned times

D. Where will you begin in the Scripture? Will you use curriculum? Why or why not?

Do you have a book you will use or a book of the Bible you will begin with?

E. What is your plan to develop disciple-makers?

What discipleship will continue on when you are not personally involved?

F. How long will one cycle require to complete?

Give an answer in years, months, or blocks of time depending on your plan. A cycle implies the need to onboard new people into the discipleship mechanism.
